Summer Classes for children who enjoy making art! I emphasize fine art materials and instruction, with a changing curriculum of different art mediums. Classes are limited to 18 students. Projects are varied so students can take more than one session and be challenged with new projects. Join us for a variety of interesting projects and serious fun.

Class time is 9:30 am-2 pm, with breaks and lunch (please provide your own) and activities and play on the yard from 9-9:30 am and 2pm-3pm.

**SIGN-UP DEADLINE IS FEBRUARY 22ND.**

I will be filling classes by lottery, with consideration for friends and siblings enrolling together to make carpooling easier.

I will offer remaining spaces to students who did not get into a class they requested. Do feel free to enroll after February 25th — there may still be spaces open!

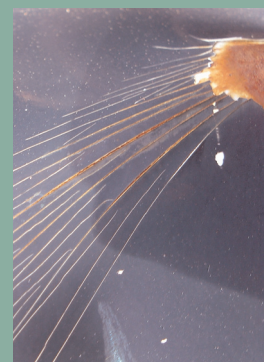

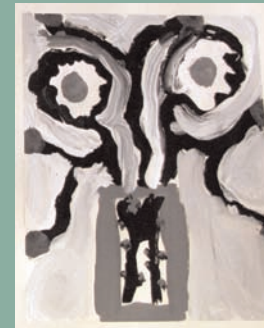

Once enrolled, if you need to cancel, you will be refunded \$250 IF another student is available for your space. **AFTER JUNE 1, THERE WILL BE NO REFUNDS.**

**PHOTOGRAPHY & COLLAGE:** Each student is lent a digital camera to take photographs at home for the week. We also have assignments at camp (self portraits, etc.) and create final projects using students own photographs.
